# Chairman's Message

*In this edition of the magazine we publish the Annual Report for the Club's financial year ended February 29, 1980, from which you will see that our financial position is again strengthened, and we concluded the year with a surplus of \$53,169.*

*Most of the major renovations, repairs and redecoration work forecast for the Club last year has now commenced, and in fact the connection of the Club to the natural gas pipeline is complete and the new kitchen facilities almost complete. Extensions to the third floor Athletic Department in the main are finished and a shaving room is currently being constructed.*

*Your Committee has spent considerable time examining carpet samples for the 4th and 2nd floors, and hope to have a design chosen shortly.*

*Also included in this edition with the Report is a Notice of Annual General Meeting to be held in the Club Room at 8 p.m. sharp on Wednesday, June 11, 1980, and your attendance will be welcomed.*

*It is with the deepest of regret that we learnt of the passing of Committee Member and Life Member Arthur McCamley on April 20, 1980. Arthur had not enjoyed the best of health since his wife Edna passed away in 1979. He had been a Member of Tattersall's Club for 39 years and a member of the Committee for 19 years, the longest serving Committee member when he passed away.*

*I am sure every member of this Club would want me to say thanks to Harry Buttel for his companionship to Arthur over these past difficult months, and no doubt we all wish that we had a good friend like Harry during these times. This is true Tattersall's Club comradeship.*

*Entries for the Billiard and Snooker Tournament to commence in June have closed, and the Snooker Tournament this year has received the largest number of entries in the history of the Club for the annual event. Once again it promises to be a most exciting event, and of course, as usual one of the truly big activities in the Club's sports' calendar.*

*Your Race Committee is busy preparing the programme for our September Meeting at Randwick on Saturday, September 13, and we are certain of another exciting programme. Once again I suggest that if you would like an invitation to the Club's luncheon at Randwick, would you please leave your name with the office.*

*Finally, on behalf of all Members and the Committee, I wish to acknowledge the great job of work that has been done by Mr. Peter McGrath on our behalf as a Committee man and Treasurer. Peter tendered his resignation as Treasurer at the April Committee Meeting to take a less active position on the Committee until his retirement next year. Peter has always been a most popular Member who was extremely active in Club affairs, not only through the position held on the Committee but also his Bowls Committee and Billiard and Snooker Activities. Our sincere thanks to you Peter and all the very best for the future.*

*The Committee unanimously elected David Dransfield who has been on the Committee for four years, to fill the vacancy as Treasurer. David is a practising Public Accountant with his own firm in the City.*

*Popular Member Bruce McHugh was elected to fill the vacancy as Assistant Treasurer.*

*Congratulations to you both David and Bruce, may you thoroughly enjoy and obtain great satisfaction from your new roles on the Committee.*

*Yours sincerely,*

**K.H. MOREMON, Chairman.**

## GLITTERING CUP WEEK DINNER

Racing colours of Members were draped around marble pillars in the gracious First Floor Club Room. The Sydney Cup Week Black Tie Dinner was an outstanding success. It's the top event of the Racing Season.

Chairman, Keith Moremon, and Mrs. Moremon were pleased to entertain guests Mr. Jim Carr, Chairman of the A.J.C., and Mrs. Carr. Mr. and Mrs. Mike Willesee were top table personalities. Mr. and Mrs. Laurie Taylor, representing City Tattersall's Club, Mr. Keith Harris, Deputy Chairman, S.T.C. and Mrs. Harris were there, too.

Jockey Ron Quinton contributed to the racing scene in a very telling interview with Des Hoysted. Mike Willesee gave an excellent run down on his involvement in horse breeding. Best mares, best stallions produce best prices, this was the overall conclusion.

Des gave a phantom broadcast, his Black and Gold (phantom call winner) let him down.

Large parties of club members presented a magnificent scene with beautifully gowned ladies tended by their escorts. It was truly a delightful scene.

Special menu and choice of wines added to the enjoyment. Smiling Committeeman Bruce McHugh thanked the guests for attending the function.

It is agreed that the Cup Week Dinner is a mecca and a must in the Tattersall's Club calendar.

Popular Member Brian O'Connor kindly donated pen sets to speakers at the dinner.

## TATTERSALL'S CLUB ANNUAL GENERAL MEETING

June 11, 8 p.m.

CLUB ROOM

Television personality Mike Willesee, champion jockeys Mal Johnston and Ron Quinton at the Tattersall's Club Special Sydney Cup Week Dinner.

Inset: The general scene at Dinner.

Member Brian Osborne looks after Wisdens cricket records in Australia along with his advertising media council executive control. He included me in a gathering of cricket greats.

Stork Hendry, a senior member of my old cricketing club Paddo, was there. Harold Larwood, one of the most controversial fast bowlers known to cricket, told me he got his speed and strength from wheeling coal in the mines in England. Keith Miller, Arthur Morris, Alan Davidson and Doug Walters added to the cricket memory feast and fun.

### Wran in Peking Looks at Coal

Premier Neville Wran in Peking found China with a nifty 3000 billion (3 million million) tonnes coal reserve — we've got 513 billion.

Reported the weak link in their 1979-81 modernisation plan is electricity generation. Opportunities exist for Australian participation in planning, design, network and distribution control.

### Golf Story doing the Rounds

He was a mad golfer — they met by chance — she had a very questionable profession. His passion was golf — they didn't level. They marry after a whirlwind "romance".

In a moment of honesty on the wedding night, he said, "I should have told you I'm a golf crank — play 36 holes Saturday and Sundays and practise after work every day."

"Well, it's time I confessed too," she said. "I'm a hooker!"

"Are you?" he exclaimed. "Why don't you change your stance and bring your right hand over the club a bit?"

# SPORTS MEDICINE RESEARCH FOUNDATION

**"It cannot  
happen without  
your help"**

This is the theme for Sports Medicine Research Foundation appeal for funds. We previously reported a Tattersall's Club member gave \$50,000 (and asked to remain anonymous). The Government has contributed \$10,000. Extension to building is necessary.

The present institute building was constructed in 1972 at a cost of \$250,000 raised by a committee with (the late and much respected) Sir Leslie Herron, the then Chief Justice

of N.S.W., as Patron; Mr. A. J. Chown as Chairman and with the late Rt. Hon. J. A. Armstrong, A.C., the then Lord Mayor of Sydney and other important civic, business and sporting leaders as members.

Even though the building is relatively new, the numbers of people seeking help at the Institute have increased to the stage of overcrowding. Expansion to the building is urgently needed: twice the existing area is required to cope with injuries from sporting activities and to develop research projects.

The research effort will be under the direction of Dr. Tony Millar, the founder of the Institute and an internationally known researcher in Sports Medicine.

The goal is to raise \$500,000 over a three-year period. **All donations are tax-deductible.**

The money will be used to enlarge the existing premises —

- to provide immediate benefit to clubs and all individuals identified with sport in the applications of advanced specialised treatment;
- to provide a more efficient treatment area for the increasing number of injuries and
- to enable further research into sports medicine that can have application to all Australian endeavours — at social, State and national levels in sport, in industry, in the school and in the home;
- to provide ongoing funds for employment of a full-time medical director;
- to provide educational courses for injury treatment and prevention.

If you can help, cheques should be made payable to:—

Sports Medicine Research Foundation, 1-7 West Street, Lewisham 2049. Donations are tax deductible.

Tattersall's Club Member Arthur R. McCamley served the Club with honest endeavour — "To make the Club a better Club." His interest was mainly directed to his love of sport. The Swimming and Athletic Department was always foremost in his mind. A keen sportsman, loved his racing, a successful businessman — a real nice guy has left many friends.

Rest in peace, Arthur.

# A FINE TRIBUTE TO TOM

Tom Powell is a permanent fixture at Tattersall's Club — that's the way many, many members regard Tom. Tattersall's Club members at a very well attended function honoured this fine sportsman.

The evening at Tattersall's paid tribute to Tom. Tom was made a life member of Tattersall's Club. He is the only bookmaker to receive this distinction. The picture record of the night's fun is a tribute to "Longshot" Powell's popularity, they came from near and far to see Tom.

He always had a ringside seat at the old Sydney Stadium to see the great contestants fight. Tom today is happy to be with his mates — especially at Tattersall's Club.

Tom Powell, we are very proud of you.

# GOLF

by Seagull

Despite early morning showers and the lack of petrol at the height of the strike, a field of nearly 60 lined up for the opening day of the 1980 season at Manly on March 13. Not a drop of the rain which continued to fall on the City touched the lush fairways and conditions were ideal and the course in first class shape.

Several good cards were returned, by far and away the best by Nev Jones' visitor Bruce Maxwell with 42 points. Nev and Bruce went on to win the 4-ball on a count back from Jack Beston and Graham Connelly with 48 points. Rob Elvy and visitor George Bevan were next best with 46

In the members singles, Jack Paterson (on one of his rare appearances) took out the trophy on a count-back once again, from Dick Scott and Rob Elvy, all with 39 points. Jack by the way had 23 on the back nine.

Visitors singles was won by former member Jim Davidson with 39 from Tony Mayo with 37. Tony is a regular visitor and we can see why.

Peter Dind was looking a fraction jaded after the events of the prior day, when his wife presented him with a bouncing baby girl, Georgia. Congratulations Pete, and keep up the good work — 16 more and you will have your own course. Peter received a ball for his effort. Also the recipient of a ball was Victor Vadas for an improved effort with 16 points. John Gannon, a visitor from the Australian got a ball for 37 points along with Nev. Peters, another visitor with the same score.

Those who stayed for the evening enjoyed a top smorgasbord meal, and Harry and Ron behind the bar are to be congratulated for their efforts.

All in all, a wonderful day and a great start to the new season.

## RESULTS

4-ball: Nev Jones-Bruce Maxwell, 48 points, on c.b. Jack Beston-Graham Connelly 48 points.

Members singles: Jack Paterson 39 points, on c.b. Dick Scott and Rob Elvy.

Visitors singles: 1. Jim Davidson, 39 points. 2. Tony Mayo on c.b. John Gannon and Col Johnson.

together with Committeeman David Dransfield, Brian Nagel and friends. Al rates Tattersall's Club as a must on his globe trotting visits.

A Tattersall's member for over 36 years and former Bookmaker. He has a wonderful community spirit. His charity work has been considerable covering many aspects of benevolence and helping people. ## TOPPING THE SALES

☆ ☆ ☆

Tattersall's member Jack Holman who won the M.C. and Bar with the 45th Infantry Battalion, A.I.F., passed away on January 10, 1980.

Jack Holman, born in 1896, joined the Army at the age of eighteen. Whilst serving with the battalion in France, under the command of his great friend, the late Lieut./Colonel Stan Perry, D.S.O., M.C., V.D., M.I.D. (4), as a Lieutenant he was awarded his first M.C., the Bar was added later. In industry Jack was awarded the B.E.M. for services to the printing industry.

A great attendance of Jack's family, army and printing industry friends at his cremation. His Tattersall's Club friends join in the thought "We will remember him".

☆ ☆ ☆

Member and exChairman of Tattersall's Club Jim Comans is out of hospital after an operation. Jim tells the story of waiting for the op. He was sitting up and member Terry O'Connor walked in. "How are you, Jim?", he asked. "Lousy!", says Jim.

"Oh, you'll feel better after I operate on you!" Jim was amazed, he wasn't aware that the member was in charge of the op. It was a consoling thought as Terry is the son of Dan O'Connor, another great mate and Athletic Third Floor regular. Jim is a busy man in retirement doing a good job as an A.J.C. Committeeman and heading the Judiciary of the N.S.W. League Football Board.

It's always pleasant to meet a nice couple like Jim and wife Gwen at the Sport of Kings too.

Ed.

☆ ☆ ☆

Congratulations to Member Adrian Abbott who recently became the proud father of a son, Daniel Louis Abbott. The grandfather is Horace Abbott and great grandfather, Jack Mandel. This is a fourth generation who will, no doubt, one day take his place as a member of the Club. Jack Mandel has been a member for over 50 years and Horace Abbott 30 years. Between the three current members there would be very close to 100 years membership.

What a fine Club and family effort!

☆ ☆ ☆

Well liked film executive and member John Reid with wife Clarice arranged a very happy dinner party at Tattersall's Dining Room on Easter Saturday evening. The occasion was the engagement of their eldest son Ross to Christine Street. Brett, the youngest son of the family, was also present with Judi Triemer who was celebrating her seventeenth birthday. A great night for Ross and Christine and we wish them a very happy future.

☆ ☆ ☆

Son and daughter of Member Allan Walker and his wife Cora gave their parents a party at Tattersall's, celebrating Allan's 70th birthday and their wedding anniversary.

It was a fine family night of fun. Included in the merriment was mother-in-law Elizabeth, son-in-law Hoyd and grandchildren Daniel and David.

Member bookmaker Terry Page and his attractive wife Sally are wonderfully happy about the birth of a beautiful baby girl, Georgia. Terry recently broke the million barrier in turnover for a race day. He was more excited about the addition of young Georgia to the Page family than his outstanding achievement. Good luck to Terry and Sally and sweet Georgia.

#### GOLDEN WEDDING ANNIVERSARY PARTY IN CLUB ROOM

Well respected member Ed Malouf and his charming wife Mona celebrated their golden wedding anniversary with a party for 100 guests in the Club Room.

The party followed a church service conducted by Rev. Father Sobb who married the couple 50 years ago.

Telegrams and congratulations were received from the Prime Minister, Leader of the Opposition, the Archbishop, the Governor-General and the Premier amongst others.

Mr. and Mrs. Malouf had a memorable evening and asked if their thanks could be conveyed to all the Club staff.

# EPICUREAN MEET AT TATTERSALL'S WINE TASTING — APRIL

Sportsman's Room, Tattersall's Club, popped with sparkling wines and friendship at the Epicurean meet for April.

Tom Dickman made sure there were plenty of selected Tollana Wines to compliment the meal. United Distillers co-operated with the Epicureans to make sure no thirst remained unanswered.

The Sportsman's Room is ideal for an intimate gathering for such a function. Good food, good wines, and fellowship of members made it a night to remember. The night originally listed for June was brought forward to fit into the programme arranged for the Epicurean Tattersall's Year.

Vic Vadas welcomed the guests and promised the members of an interesting year for people who like the fellowship and good food.

## CARBINE CLUB

In the three years since its formation in Sydney, the Carbine Club has become one of the most popular, and successful, clubs in Sydney.

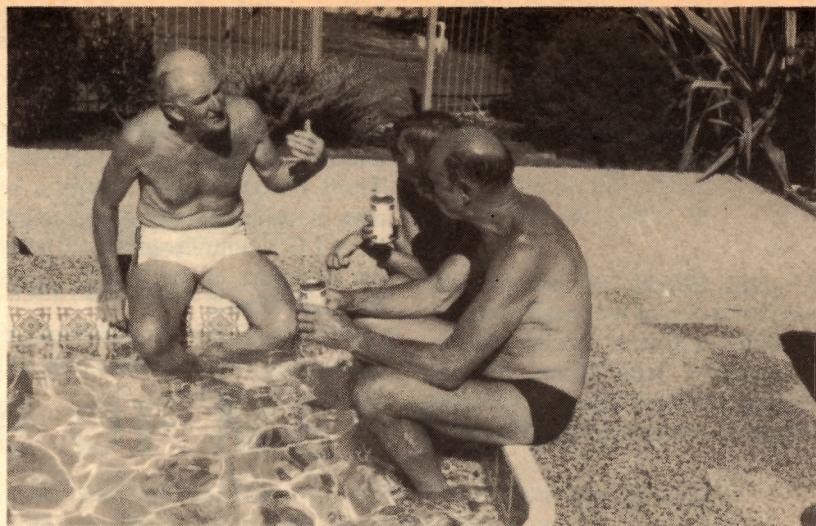

The Carbine Club is an off-shoot of the Melbourne Carbine Club which has had tremendous success in the southern capital.

Under the plan of the club a group of sportsmen, not numbering more than 40, and from all different branches of sport, have combined to form the club.

The club meets on an average of seven times a year, and at six of these meetings guests are invited to a special luncheon.

At each luncheon the Carbine Club entertains a visiting international sporting identity, or members of an international sporting team, such as the MCC cricketers, or the British Lions, or such men as Jack Nicklaus or Arnold Palmer.

# POOL SPLASHES

by Sam Block

Star performers since last issue were Justice Bryce Ross-Jones, Legal Wizard John Ward and former surf champion Leigh Emery.

☆ ☆ ☆

Ross Jones and John Ward shared the honours of the March Point Score with a total of 40½ points from Brian Duncan 32 (always a best man and never the groom) with another member of the judiciary David Tonge half a point astern in fourth place.

☆ ☆ ☆

Both Bryce and John were level and as they had drawn separate finals the result was in doubt until the last event had been decided. Bryce had won his final leaving John needing a win to even the score. He did so with a sensational effort which cost him a loss of two seconds off his handicap.

**The April Point Score** with two points to be decided has Leigh Emery and Jimmy Meagher in the lead with 21 points, followed by Peter Joseph 19, and Mike O'Dea 18. Newcomer Leigh Emery, former Australian Surf

Champion, is without a doubt the most powerful swimmer I've ever seen in action. He absolutely surges through the water like a great White Pointer, and will be a thorn in the side of Neil Rogers, Dennis Wilson, Roger Farrell, Harry Turner, Hugh Keller, Mark Hopkins, Mike McCormack and Co. in the June Championship.

## SILVER SHARPE TROPHY

With only ten more events to be decided Mike McCormack still holds a handsome lead of seven points (156) with Derek Jackson 149 and Brian Duncan 143 and Dan O'Connor 138½ in fourth place.

McCormack should be able to maintain his lead as his closest rivals have all had their handicaps reduced.

Both Robert Tobias and Justice Bryce Ross-Jones would have been closer to the leaders, but duty calls have necessitated absences on several occasions.

## TOM POWELL TROPHY

Brian Duncan has forged to the front with 8½ wins from Mike and Gerald McCormack 7 and 6½ respectively followed by Coppa, Tobias and Ross-Jones with a tally of 6 wins.

This event is still very open with the dozen leaders still well in the firing line.

Fast times were recorded by the following: L. Emery 18.2 and 18.3, C. Gunson 20.4, Norm Rogers 21.2, M. McRobert 21.3, J. Nicholas and Ken Glover 21.5.

☆ ☆ ☆

A cordial welcome was extended to newcomers Leigh Emery, Harold Hooper and Tony McQuillan all three showing ability in the pool.

Mike O'Dea who finished first in his final was disqualified for not finishing in the prescribed breast stroke manner. As Mike had finished the same way in his heat and had two seconds deducted from his handicap, the "Gestapo" in their wisdom decided to restore his handicap.

Congratulations to the following Jack Mandel, Adrian Abbott and Rick Glover. To Jack Mandel on his 89th birthday and the win of "High Level" at Hawkesbury, here's hoping that many more happy days are in store for you "Jack".

Adrian Abbott also on the win of "High Level" but more so to his lovely lass Jacklyn who presented him with a son Daniel to enable him to contest the "Family Event" 21 years hence.

# SKI CLUB ANNUAL BUCKS' WEEK AT PERISHER VALLEY 1980 SEASON

We are very happy to report that Wirruna Lodge has again been made available to the Bucks for the week commencing Saturday, July 5, to Saturday, July 12, and as we have had so many members indicating their wish to go to Perisher for the Bucks' Week, the directors of Wirruna have agreed to make the whole lodge available to Tattersalls for that week and therefore we can accommodate 22 people.

So far 10 Ski Club members have made firm bookings leaving 12 beds still available. For those who have not been on a week with the Tattersall's Club skiers, the standard of ski-ing varies from beginners to highly competent skiers. Some are cross country skiers, but the majority are Alpine skiers. At the end of the week we will encourage all the members to ski the Nastar Course for the Tattersall's Club prizes. The Nastar system is now international and operates in much the same way as a golfer with his handicap and like golf, is applicable to people of all ages and standards.

Wirruna is probably the nicest and best equipped "do it yourself" lodge in Perisher Valley. The food for the Bucks' Week is purchased in bulk and a duty roster worked out amongst the party so that every member has a little only to do occasionally.

The accommodation per night is \$12.50 per head plus food and beverages. It has been our practice in the past to create a kitty from the party to purchase the common needs of the members. We do expect that the full cost for one whole week, including food, beverages and accommodation will be approximately \$150 per head.

It is possible for anyone interested to stay for only part of the week if they wish. As our bookings

## HANDBALL NOTES

by Peter Ashby

### BEWARE THE GREEK...

The timely and timeless warning "beware the Greeks when they come bearing gifts" went totally unheeded in the last Club Handball event that was won in dubious fashion by cheerful ubiquitous Paul Vrachnas and his partner Tony Baine who is quickly asserting himself as easily the fastest improver in the game.

The event was the John Barnes annually promoted handicap doubles event when an A grader is teamed with a player on a longer handicap.

Funnily enough the placatory gifts that Paul should have had on show were, yes, all you who know him well have guessed the truth, invisible. The unpalatable truth is that no one has ever been too concerned about Paul bearing gifts of any kind. Gift bearing is not an activity that appeals in any way to our Grecian heartbeat. No sweat as handballers are sometimes heard to mutter.

The Trojans were the first recorded peoples who learned to their horror that they (the G R E E K S, whispered, of course) just couldn't be trusted. The (whispered again) couldn't go off and find another bird for Menelaus when Paris whisked Helen from under hubby's nose.

So single minded are they that after then years of warfare they were still camped outside the walls of Troy battling away for the return of the wayward Helen.

By trickery alone were they successful in winning the war which prompted the famous remark, "I fear the Greeks even when bringing gifts", after they had used the wooden horse trick.

And now at Tattersall's the handballers have gained experience of the truth of this allegory.

must be finalised and paid for before the end of May, it is essential that interested parties forward a cheque to the Ski Club, c/- Miss Delma Lofts in Tattersall's Office.

Be at Roslyn Lodge, Thredbo, 28/6/80-5/7/80.

Paul, with his tradition of in-fighting ingrained in his character as a result of centuries of practice by his forebears, and bearing the one gift that he donates only to the worthiest of causes, an unobstructed view (except for a few wispey, grey hairs from his upper lip) from all angles (yes, almost 360 degrees) of two rows of gleaming teeth, with occasional help from Tony Baine proceeded to devastate, demolish and demoralise some of the greatest handball combinations to ever grace any of the venues where the high calibre sportsmen who enjoy this game forgather.

Handballing stars who fell by the wayside, who were shattered and shoved unceremoniously aside include great players Bill Blakemore and Arthur O'Connor, Michael O'Dea and Neville Amy and Norman Rogers and Stan Droder.

It is to be hoped that the above appeasing remarks levelled at one of the favourite sporting sons (Paul is a swift sprinter as well as an embryonic handball champion) of the leading ethnic community in Sydney does not attract a letter to the Editor over the initials A.E.

Big Bill Sellen and Peter Ashby played like a pair of hobbled ducks to go under to Norman Rogers and Stan Droder 41-38. The winners gave away a seven point start and had they been able to combine well would have won by a big margin. Stan started the game in scratchy fashion but Norman proved a big point winner with powerful serving and many unplayable drives.

"Debonair" Doug Salier and "Classy" Ken Glass gave a 12 point start to Charlie Griffiths and John Barnes and in the longest match of the tournament won an exciting verdict 42-40. It was good handball throughout the game and every credit must go to the victors for not wavering in their pattern of play from the start of play.

"Agile" Arthur O'Connor and "Battling" Bill Blakemore received two points start from Stan Heaton and Ven Hroudka and won a tactical victory 41-31. No one expected the 10 point margin in favour of Arthur and Bill for Ven and Stan were thought to be a capable duo.

## HANDBALL — continued

“Nifty” Neville Amy was paired with “Master” Michael O’Dea and had to concede the huge start of 18 points to the eventual winners Tony Baine and Paul Vrachnas. The big start allowed time to the winners to settle down and by the time they had scored the mandatory 41 points had eased into a smooth combination. Not even Michael’s magic or Neville’s experience (he won this competition last year) could successfully upset the winner’s pattern of play and they could muster only 30 points.

Norm Rogers and Stan Droder won an exhilarating semi-final 41-38 against Doug Salier and Ken Glass. This game held the interest of the spectators throughout and was worthy of the final clash. All players in this match hit the ball well and many long rallies earned applause. The winners were forced to play hard to make up an 8 point start and it was not until the late thirties that a victory for the back markers seemed possible.

The match allowing the Baine-Vrachnas combo into the final was won by a big margin but it proved an entertaining encounter. The winners received a one point start and although they led throughout the actual play never appeared to be one-sided. Opponents Arthur O’Connor and Bill Blakemore maintained pressure all the way by never allowing the winners to relax and it was only with the game almost over that the realisation that luckless play cannot win matches was forced home.

Norm Rogers and Stan Droder were the backmarkers in the final giving away a massive 13 points start. There was nothing rudimentary in the play of tyros Tony Baine and Paul Vrachnas. They combined well, were seldom rattled and were sufficiently lucky at crucial stages of play. Although the final score was 41-32 the losers were in a winning position half way home.

Paul served to lose points and charged serves at 15-5. On Norm Rogers service the eventual winners regained some lost ground and the serves changed at 6-19. Simple mistakes saw little change in the score difference following both service breaks by Tony Baine and Stan Droder. Gains by either side were

minimal and were almost immediately surrendered through elemental errors.

To this stage the game was a charade. With Paul serving the tempo of play intensified and slackening gallery attention was once again concentrated on the game. Norm’s big serve began to operate effectively and the injected venom earned five consecutive points.

Tony Baine on service held the score steady but Stan Droder galloped away to cap his partner’s effort and won five consecutive points. They were now down only one point

and their odds shortened to unbackable prices.

Theirs was shortlived glory for the victors with exceptional steadiness allowed their opponents only a further five points while they scored the necessary 13 points for victory.

Paul served and led narrowly by 28-27 with the realisation that their previously held winning break had vanished.

Some great serving by Norm was nullified by exceptional play by Tony but winners Tony and Paul coasted over the final few points to win handsomely 41-32.

The club has two main luncheons, the Rugby League Grand Final and the Autumn Carnival luncheons.

At the League luncheon, the coaches and captains of the participating teams and entertained on the day before the game and the four of them make speeches and answer questions.

At the racing luncheon, in which the Governor (Sir Roden Cutler) attended this year, presentations are made to the winning trainer and rider of the previous year's Golden Slipper Stakes while films of that race and the AJC Derby are shown.

As well, prominent Australians are asked to speak on the subject of racing and this year Mr. Jim Killen (Federal Minister for Defence) — and a very keen racing man — made one of the

most memorable after dinner speeches in memory.

Sir Clyde Kennedy (a Carbine Club member) responded splendidly.

Most sections of the sporting world are represented in the Carbine Club, including Alan Davidson (cricket chairman), Kevin Humphreys (league chairman), Charles Blunt (Rugby), Jim Norrie (AJC) and Phil Coles (Olympic movement).

Broadcasters Des Hoysted and Norman May also are long-time members while from yachting we have Jim Hardy, from tennis Trevor Davis and from athletics John Treloar to name just a few.

The main aim of the club is to bring together a wide cross section of the sporting community, so ideas, thoughts, opinions, etc., can be interchanged.

The club also has a charity account, derived from raffles at each luncheon.

The Sydney section of the Carbine Club had its birth when four regular visitors to the Melbourne Spring Carnival — Hugh Gage, Al Smith, Tim Cox and Keith Robbins — found themselves together at the end of Melbourne's gala spring carnival Carbine Club luncheon.

"This is something Sydney lacks" was the general consensus of the four men and within two months Sydney's club was started.

Sydney's senior and most respected jockey Jack Thompson is a club committeeman and the late Latchem Robinson also was a member of the committee.

The late Mr. Robinson was the club's first life member.
